## Community Partners

Provide Links to Relevant Websites of Organizations

### [Samahan Health Clinic](#)

Samahan Health Centers is a federally qualified community health center serving families and individuals in the County of San Diego.

### [Casa Familiar](#)

The mission of Casa Familiar allows the dignity, power and worth within individuals and families to flourish by enhancing the quality of life through education, advocacy, service programming, art and culture, housing and community/economic development.

### [County of San Diego HHSA](#)

The Health and Human Services Agency is one of four groups or divisions of San Diego County government. The Agency provides a broad range of health and social services to promote wellness, self-sufficiency, and a better quality of life for individuals and families in San Diego County. The Agency integrates health and social services through a unified service-delivery system that is family focused and community-based.

### [Pastors on Point](#)

Pastors on Point San Diego (POP) mission is to enhance relations between clergy and community leaders by bringing together its members and the public for spiritual renewal, sharing, and responding to community concerns, and networking. In cooperation with the public schools, local businesses, local law enforcement agencies and other agencies, Pastors on Point San Diego (POP) strives to strengthen families and promote a better quality of life.

### [Alliance Health Clinic](#)

Welcome to the website for the Alliance Health Clinic. The Clinic provides low-cost health care for the low-income, immigrant, and refugee members of the community. Our trained staff has years of experience and the desire and know-how to help you with all of your medical needs.

### [San Diego Black Nurses Association](#)

The San Diego Black Nurses Association, Inc. (SDBNA), one of ninety-five NBNA chapters, was organized in 1976 by six forward thinking nurses: Eula May Banks, Maudesta George, Lottie Harris, Jewel Kelley, Dorothy Palmer Phillips and Betty Reliford. Our target areas are diabetes, hypertension, cardiovascular disease, breast cancer, prostate cancer and influenza.

### [Chaldean Radio](#)

Chaldean Radio, Inc. is a community-based non-profit organization that connects Chaldeans all over the world.

### [County of San Diego PCI, 211 San Diego](#)

2-1-1 is a free, 24 hour confidential phone service and searchable online database. Our mission is to serve as a nexus to bring the community (organizations) together to help people efficiently access appropriate services, and provide vital data and trend information for proactive community planning.

### [San Ysidro Health Center](#)

San Ysidro Health (formerly San Ysidro Health Center) is a non-profit organization committed to providing high quality, compassionate, accessible and affordable health care services for the entire family. The mission of San Ysidro Health is to improve the health and well-being of the communities we serve with access for all.

### [Vista Community Clinic](#)

At Vista Community Clinic (VCC), we’re dedicated to embodying what it means to be a community clinic: offering every single person the opportunity to be healthy. Community clinics have become known for pioneering some of the most innovative models of primary care delivery. This is because community clinics are able to respond quickly and efficiently to immediate and emerging public health issues since we’re an integral part of the communities we serve.
